SO WHAT! 8.4 COVER STORY

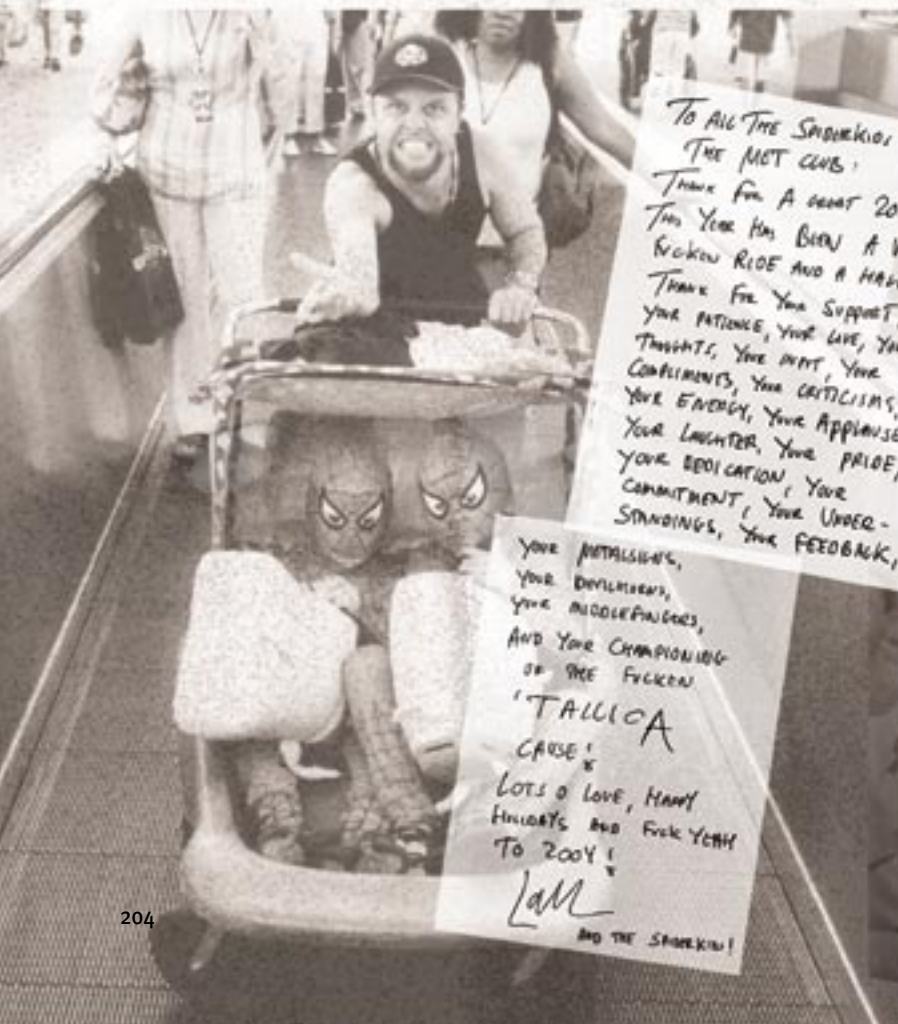

Hello there old buddy.
 Hope all is well.
 The mag is sitting at the printers.
 The designer leaves next Tuesday evening for Europe
 (a 6 ish flight I believe).
 I need your Sponsor Section yesterday.
 I'd settle for tomorrow.
 Please.
 Could you?
 Love,

SC: Were you afraid that he (James) was going to split completely and the band would not stay together?

LU: I would say that there definitely have been moments where I started numbing myself to the potential reality, and started trying to find ways of being comfortable with it...yes, the band could split apart tomorrow.
